PUBLIC USE COUNTING AND REPORTING INSTRUCTIONS

Following are detailed instructions for collecting and reporting data to be entered on Form 10-157, Revised, Monthly Public Use Report by Theodore Roosevelt Island. These instructions are effective the date of issuance and will continue in effect unless changed by amendment or by memorandum from the Public Use Statistics Program Center to the superintendent approving a requested change.

Each item below describes the procedures to be followed in collecting public use data and summarizing the various elements of those data for entry on the corresponding line on the 10-157, Monthly Public Use Report.

Recreation Visits

An electric eye trail counter is located on the footbridge leading to the island. The trail count is divided by two to adjust for visitors entering and exiting the island.

Recreation Visitor Hours

The number of recreation visitors is multiplied by 1.8 hours.
